MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Army Contracting Agency Coordinated Response to the Department of the Army (DA) Contracting Operations Review (COR) Program Requirements

The Deputy Assistant Secretary of the Army, Policy and Procurement (DASA P&P) issued Fiscal Year 2007, DA COR Guidance, dated July 24, 2006. The intended audiences of this Guidance are the Directors of the nine Major Army Acquisition Commands and all Principal Assistants Responsible for Contracting (PARCs). However, our PARCs received this guidance before we did at the ACA HQ. This has generated some questions and confusion for our PARC staffs. The confusion resulted in part from the fact that information about the DA COR program is now being issued directly to the Army PARCs.

To help eliminate potential recurrence of this problem in the future, please contact Mr. Donald Bobby (703-681-1033) or Ms. Kyoung Lee (703-681-9088), when you receive the DA COR program guidance, policy, tasking, and/or other action requests directly from DASA(P&P). I look to them to help me coordinate actions to ensure standardization of our responses and eliminate potential duplication of effort.

If you have any questions and/or need additional information, please contact Ms. Kyoung Lee, SFCA-RA, commercial (703) 681-9088, DSN 761-9088, or e-mail: [kyoung.lee@hqda.army.mil](mailto:kyoung.lee@hqda.army.mil).
